Arrival altitude
2476 m
Access

A piedi dal Piccolo Moncenisio (Francia) o dalla Val Clarea (Giaglione, Italia)

Descrizione

From Col Clapier follow the path towards Rifugio Vaccarone until you pass the former military barracks. Where the path begins to descend into the valley that separates the moraine above Lake Savine from the slope where Rifugio Vaccarone is situated, take a path which is not very well marked that ascends the moraine in a westerly direction, and after about 400 meters you reach the bivacco Clapier mountain shelter.
