Descrizione

From the town of Plampinet the stage continues for a stretch in France heading up towards Saint Roch (G.R.5 trail) and touches the Chalet des Acles. Continue along the Des Acles stream to reach the junction with the 4A variant (altitude 2290) for Passo dell'Orso. Ascend, keeping to your right, to reach Passo di Desertes (altitude 2553), on the Italian-French border, just beyond which there is the Ricovero Passo di Desertes mountain shelter. Continuing on path 601B, towards Pourachet you touch the summit of Punta Madonna del Cotolivier and then begin the long descent towards the town of Oulx, passing through the villages of Vazon and Pierremenaud, thus rejoining the route of stage 1 of the itinerary.
