Descrizione

Starting from the Concentric di Vallo Torinese (535 m), go up to the church of San Rocco and on the left take the path that becomes panoramic and continues above the town of Varisella reaching the Hamlets Ramai and Moncolombone, then crossing the Ceronda (where nearby there is the camper area) you reach the Filiè area and then descend on a stretch of paved road to S. Maria della Neve. Continue on the path along the Ceronda stream up to the church of S. Grato, continue down the Costa di Baratonia on the path up to S. Biagio. Take a stretch of the Provincial road and take the dirt road on the left again before going up to the hamlet of Truc di Miola di La Cassa. Continue up to S. Lorenzo and still on a dirt road you come to Cascina S. Giovanni continuing towards lower Pralungo. Turn left crossing Rio Rissalto and reach Rivasacco. After crossing the village, go up beyond Monte Castello di Givoletto. Continue upstream of the town of Givoletto, touching the hamlet of Barriere up to the panoramic Monte Baron. Continuing halfway along some stretches of rural road until you meet the path that comes from Bassa delle Sette and follow the path climbing up to Colle Portia (1322 m) and then on a dirt road you reach the "Colle del Lys Hiking Refuge" (Stopover place).

Public transport access
