## Descrizione

*Variant of the Leg 6 of the Bar To Bar itinerary, the detour towards Novello allows you to enjoy a view of the Alps in the distance, to stop in every village to experience a bit of history in castles and ancient wine cellars as you enjoy a glass of some fine Barolo wine.*

The nearby climb will take you to the local highway to Novello, and a final ramp through the Ravera vineyards will take you, on a brief detour, to the village and its enviable 360° view of your surroundings (hence the saying in the local dialect, “Soma sempre an mira ‘d Novel”, i.e. “We’re always within view of Novello”, meaning that, no matter how far you travel, you’re never too far away when you can still see Novello). In Novello, the remains of the Monastery and the Church of San Rocco speak to a glorious past, revived with the splendor of the neo- Gothic Castle by the visionary architect Schellino, the Gaudi of Dogliani.
