Arrival coordinates
POINT (7.2727 44.20772)
Arrival altitude
1352 m

Descrizione

The Alta via dei lupi (High Route of the Wolves) itinerary (AVU) winds its way in 10 stages (and 10 variants) through the higher altitudes of the Maritime Alps Protected Area, from Pian delle Gorre di Chiusa Pesio (in the Marguareis) to Terme di Valdieri, taking in the municipalities of Chiusa Pesio, Roccaforte Mondovì, Ormea, Briga Alta, Limone Piemonte, Vernante, Entracque and Valdieri.
The high-altitude route, suggestive for its incredible landscape and natural elements, connects various important refuges in the Maritime Alps such as Rifugio Mondovì, Don Barbera, Ellena-Soria, Pagarì, Genova, Morelli and Remondino.
The route, also thanks to its variants, then offers the possibility of descending and reaching Alpine villages of interest such as San Giacomo di Entracque, Palanfrè, Vernante, Limone Piemonte and Limonetto.
