Descrizione

Passing inside the town of Cocconato, head in a northerly direction, taking the road that leads to the village of Maroero, on which you continue to the Sanctuary of the Madonna delle Grazie.

Here you turn left, going down along a very scenic road, to arrive at the houses of the village of Solza.

Go further along a meandering path that joins a small road shortly after Cascina Masogno, continuing along it for a short distance.

Having passed the district of Tonengo, turn right and climb a winding route up to the village of Ottini, and shortly after arriving at the Romanesque church of San Michele.

Taking the path that runs to the foot of the church, proceed along a twisting road in a northerly direction, then continue eastwards, up to the town of Moransengo.
