Arrival altitude 326 m

Descrizione

Continue out of the village in an easterly direction, admiring the castle and the beautiful adjacent Romanesque church in the distance.

Further along, turn right, crossing the Stura creek, before reaching the intersection with the road to Cerreto, thus arriving at the locality Bricco.

Further ahead is the village of Cocconito-Vignaretto. By means of a scenic path along the valley, continue until you reach the village of Tuffo, a district of Cocconato, after about 4 km.
