Descrizione

The route continues alongside the Romanesque church of San Lorenzo, advancing towards the bottom of the valley, where you cross the main road and climb up to the Sanctuary of the Madonna del Carmine.

Proceed along the valley, following a curve, to finally reach the centre of Scandeluzza.

From here, continue , heading towards the village of Rinco.

Going further, you arrive in a short distance in the village of Castelcebro, which you pass by going down to the valley to the intersection with the main road, in the area of Gaminella.

After crossing the road, you go uphill, along a scenic road, up to the centre of Tonco.
