ACCESS

From Torino A32 exit Avigliana west, take the ssp24 towards Susa, after about 5 Km to the junction and turn right for Caprie, to continue for the next intersection where the Tobacco Bar, turn right to Via Giardini , take Via Colomba between the houses, left the park before information panel convent of the railway.

ITINERARY

From the parking continue in the woods on the trail toward the cliff, you reach the area where iniziane climbing routes continue to the right for a few meters then left and you come to the start of the ferrata (sign)

The path starts with easy stretch that leads to a shelf, from which you then fully follow the thread of the wall edge, up to a big ledge (much vegetation), cross and follow the cable to the left, to resume the thread edge up to the top of a promontory, continue along the ledge until you come out on top of the wall. The 'route, is very easy and not very steep, from the top there is a possibility to go down an easy trail.

Continue following the little red marks, reach the start of the upper part of the via ferrata.

Also overcome ledges and walls, come across the rope bridge, cross it, or work around it along the alternative route, reaching the foot of the final highlight, the first to climb the wall and go out on a plate.

DESCENT

Follow the path to the right (sign) of the exit, red and white tracks leading back to the start.
