ACCESS

From Biella to Frazione Favaro follow the sign to the Santuario di Oropa, to the station and cable car parking.

ITINERARY

From the upper station of the cable cars take the track of the Camino after 5 minutes you ski door to the left in the direction of the cliff, past some rocks with fixed ropes you get to the start of the ferrata.

It starts gently downhill follow the cable getting enough horizontal, climb 7 meters and pass a small Tibetan bridge, go down a jump of 4 meters and then horizontally and continue to the end of the path.

DESCENT:

Climb to the top of the cliff and field in a few minutes you back to the start and then soon to the cable car station

Note: near the Rifugio Savoia on a small wall twenty meters high and about ninety long, the Alpina Gianni Lanza Guide with the help of Tike Saab Group has created a path to allow climbing independently, but in total child / and disabled safety , the blind, youth/ and with no experience and older people. The path has the feature of taking place almost completely horizontally, avoiding in fact the danger of a possible fall. The trail is in the immediate vicinity of the upper station of the cable car Mucrfone.
