Descrizione

Starting from the Gias Nuovo, you go all the way down the long plateau; descend in the middle of low vegetation and reach Alpe di Sea (1785 m) 1.30 hours. Cross the stream on a bridge and turn right (path 309); you follow a track that climbs in the middle of low vegetation. Continue climbing halfway up, towards the east, and follow the track that climbs to the left towards the Ometto Pass. Once you have reached the Pass, you take the descent which soon reaches the Molino bivouac where it is possible to stop to divide the variant stage into two days.
