Descrizione

From Pian delle Gorre, the Garelli refuge can be reached by ascending the more direct path H08, along the Vallone di Sestrera. This proceeds on the dirt road to the left of the hut for about 1.5 km (30 min), following the signs "Rifugio Garelli". At the end of the dirt road, turn left and the path climbs steeply in about 30 min to Gias Sottano di Sestrera, where we turn left and continue through the wood to Gias Soprano di Sestrera (1.30 h 30 min) and then to the Garelli hut (30 min) at the foot of the overhanging limestone walls of Monte Marguareis.
