Descrizione

As a variant of stage 4, as well as linking the main Alta Via dei Lupi route with the Vermagna Ring route, one can start from Limone Piemonte and climb up to Limonetto. The section follows the ancient connection of the valley floor with the hamlet of Panice, and then joins the ancient 'Via Romana' in the section that still exists. The Via Romana starts from Limone, runs along the Vermenagna stream and leads to Limonetto, at T.ti Meccisi it passes through the road connecting T.ti Mecci to the Frazione Panice to avoid a passage on the state road.
