Arrival altitude
1226 m

Descrizione

From Trinità di Entracque (1,096 m), the trail crosses the Rousset stream and heads long towards the NW into the wooded Serriera dei Castagni. On reaching the cottages of Tetti Arietta (1089 m) in the Esterate region, the trail reverses direction to the SO and climbs up to cross the Rousset-Gesso ridge at the Caìre della Truccia (1542 m). The trail then descends in a winding path at the Gesso della Barra-Rovine confluence and then turns sharply S on the valley floor (orographic right) where it stretches along the course of the stream until it reaches the cottages of S. Giacomo di Entracque (1226 m).
