Descrizione

From the bivacco Sigot mountain shelter head up to Passo Galambra (see Stage 5), from which you proceed to Cima del Vallonetto, where the former military summit observatory is used as a tiny mountain shelter (one bed). Then descend along the slope into the Municipality of Oulx (Fontanone, Galleria del Pramand), to reach the Pramand barracks, which date back to the 19th and 20th centuries. From here, head up towards Col Basset, and descend into Valfredda, where there is an unwardened shelter in the Grange of the same name.
