Access

La località Cels, in comune di Exilles è raggiungibili in auto o a piedi, L'abitato di Salbertrand è raggiungibili in auto mediant ela SS24, l'A32 uscita Oulx Est e la ferrovia Servizio ferroviario Metropolitano linea 3.

Descrizione

Beyond the ancient village of Cels, a mule track heads through the chestnut trees leads to Case Armeita, and reaches the village of San Colombano on a dirt road where there is a municipal shelter at the former elementary school. After a short stretch of road, a path leads to the locality of Mergeria and then on to the hamlet of Combe in the Municipality of Salbertrand. Following the itinerary of the Glorioso Rimpatrio dei Valdesi Trail you reach the hamlet of Eclause, before a gentle descent leads to the hamlet of Moncellier, from which you descend directly to the village of Salbertrand. Here you can visit the visitors' centre of the Parco Naturale del Gran Bosco and the Colombano Romean Ecomuseum, which includes the important Chapel of the Annunciation of Oulme adorned outside and inside with 16th-century frescoes.
