Descrizione

The path passes through the hamlets of Oulme, San Romano and Plan, before reaching Grange Auberges in the Municipality of Oulx and then the Grange Goudissard through woods of Scots pine and larch. Head uphill again until you reach the Grange La Roche where, following a dirt road, you head down to Foens and Suppas. Another stretch of path leads to Rochas. From here you connect to the dirt road that comes up from Bardonecchia and, after heading along this for a short stretch, you arrive at the locality of Bacini dello Jafferau.
