Descrizione

From Sauze di Cesana head up to the church of San Restituto and to Champlas du Col where, after crossing the Sestriere provincial road, take the path that leads up towards Granges des Alpes (Elp). From here follow the Luigi XIV path, then take the service road to the ski slopes that heads up to the right towards Monte Rotta, passing by Roccia Rotonda and the ski lift of the same name to reach the Roccia Rotonda bar on the ridge, before descending towards the head of the Rio Nero valley and Col Basset. Continue descending towards the Chapel of the Broussailles, then traverse the slope of Sauze d'Oulx passing the nearby Chalet Mollino (Rifugio Lago Nero) to reach Pian della Rocca. The locality of Sportinia has some amenities and can serve as a good base. It can be reached by descending about 200 m from Chalet Mollino.
